When instructors make Expert TA required for their course, they will simply direct students to our system in order for their students to gain access.

Students can pay directly through Expert TA's website using a credit card (a 14-day free trial is available to all students when they first join). Alternatively, they can put in a code they ordered from the bookstore as their method of payment.

Bookstores wanting to make any of these products available for students to purchase off their shelves should use the appropriate ISBN.

You can call 918-949-4190 or email main@theexpertta.com if you are unsure who your school's account manager might be. Please include the following details when you order:

- Total number of codes* requested
- The Purchase Order number
- Course Title and Instructor name(s)
- IBSN number(s)
- Pricing requested (traditional semester, quarter school, or high school)

*Codes allow a single student access to one Expert TA class for one semester/quarter.

We offer bookstores a discount of 6.25% when purchasing codes directly from us to resell. Example discounts shown below:

Expert TA price is \$32.50 – bookstore cost to order from us is \$30.47 per code.

Expert TA price is \$21.67 – bookstore cost to order from us is \$20.34 per code.

Access codes are not bound to a specific term and thus can be re-inventoried as needed for future semesters if codes are left over.

Returns are possible, but will incur a 25% return fee. Returns must be requested within 45 days of your semester start date.

Order fulfillment is digital/same-day turnaround (PDF); it's recommended to order in small batches.
