Course Registration

When registering for a class your instructor will provide you with a registration URL that is unique to that class. It will look similar to the one below.

<http://goeta.link/DEI56MO-AB1234-567>

After entering your URL, you will see the initial Course Registration page.

Registration Information

Code: [redacted] Role: Student
Class [redacted] Description: [redacted]
Wrong class? Click [here](#) to enter a new class code.

Step 2: Enter a valid email address.
You must enter the address exactly the same in both fields for confirmation.
Note: Most college and universities require you to use your college or university email address (i.e. not your Yahoo or Gmail account). Please use your university e-mail address unless your instructor has directed you otherwise.

Note: The entry form above works for both new and existing accounts. If you enter an email address that exists in the system then you will be prompted to enter your password. Ideally, if you have made an account before then you should continue using that account anytime you register for a new class.

New Expert TA User Registration

After entering an email address that has not been used in the Expert TA system you will see the same email address you just provided and be prompted to create a password.

User: student@examp.com new user.

Step 3: Enter a password. A new password consisting of a minimum of 7 characters is required. You must enter the password twice.
For your security we recommend using upper and lower characters, numbers, and at least one non alphanumeric characters

Registration and content should only be accessed through your LMS provider.

From inside of your LMS, open any available Expert TA assignment. This action brings you directly to the take assignment page. If you are using Expert TA in your course for the first time, you will be given the choice between payment or using a free 14-day trial.

Expert TA: How-to-Pay

There are three different options available on the payment screen.

Payment Information
You must either purchase the materials, or enact the 14 day free trial, before any assignments can be completed. Please check the then choose a payment method.

#	Class Name	Book Description	Start Date	End Date	Book Price
<input type="checkbox"/>	Sample	Expert TA's First Edition Physics Content	1/1/2020 12:00:00 AM	5/29/2021 12:00:00 AM	\$32.50

Total: \$0.00

Price Transparency
The price listed above is associated with purchasing directly from Expert TA online. Bookstores make their own pricing decisions. Please Note: If you purchase an access code from the bookstore it will be higher than the price listed above.

Pay Online Securely with a Credit Card
Pay online securely via Authorize.net, at the price listed above.

1 Credit Card 3 14-Day Trial *

Pay with an Access Code from the Bookstore*
Please Note: The price may be higher than what is listed above, and that not all campus bookstores carry Expert TA access codes.

2 Access Code

1) Credit Card

For credit card payments you must select the checkbox for each class you will make a payment towards and then select "Credit Card". You will then be brought to the Credit Card screen.

Note: It is important to use the billing address that belongs to the credit or debit card being used. Using a different address will result in a failed payment attempt.

2) Bookstore Access Code

Depending on your school, you may have the option to purchase an access code from your schools bookstore.

Select the class you wish to apply the access code to and select the “Access Code” button. Afterwards you will be prompted to enter a four-part code like in the example below.

ACCESS CODE EXAMPLE: AB12-9999-OBW5-I17G

Note: A common mistake made by users is due to the fact that some characters are easily mistaken, such as the letter O and the number 0 or the letter I, letter L, and the number 1.

Please Note: The price may be higher than what is listed above, and that not all campus bookstores carry Expert TA access codes.

The screenshot shows a web interface for entering an access code. On the left, there is a button labeled "Access Code". To the right of this button, the text "Access Code:" is followed by four empty input boxes, each separated by a hyphen. To the right of the input boxes are two buttons: "Submit" and "Cancel".

3) 14-Day Trial

You are able to apply a 14-day trial once per class. Select the class you wish to apply the trial period to and select “14-Day Trial”.

Note: Once your trial period has expired you will be prompted for payment again. Any work done during the trial period will be saved and available once payment has been completed.

After Payment you can now begin using Expert TA.

You will be directed to the *Class Management* screen, and you will be ready to complete assignments and will have access to Expert TA’s Tutorials.
